«Even in silence, the voice of our
gratitude does not go unheard.
It speaks most clearly as we
talk the path of recovery, selflessly
giving to those we meet along the way.
We venture forth on our spiritual
journey, our lives enriched,
our spirits awakened
and our horizons ever-expanding.

The quintessential spirit that lies inside
each one of us, the spark of
life that was almost extinguished
by our disease, has been
renewed through working the
Twelve Steps of Narcotics Anonymous.
It is on the path paved with these
steps that our future journey begins.»
